The year has not brought forth anything unusual at the library. We have not had as large a circulation of books this year, perhaps owing to the library being closed during the moving of same in June to the Baptist Church, where it is now located.

There have been 9,188 books and magazines loaned during the year ending Dec. 31, 1923.

One hundred and seventy-five books have been purchased, including Travel, History, Poetical and Fiction, both juvenile and adult.

Friends have donated the Library Association 51 volumes of adult and juvenile books, also the magazines American Forestry and Nature Magazine. Nelson's Perpetual Loose-leaf Encyclopaedia comprising 12 volumes has been brought down to date at cost of \$10.00. The tables have been supplied with 18 of the leading periodicals.

Thirty-six dollars and ninety-five cents have been received from book fines, sale of cards and old magazines.

Twenty-eight dollars and ninety-five cents of this amount has been used for necessary supplies. The balance has been turned over to the treasurer.

Respectfully submitted,

CHANNIE R. THRALL,

Librarian.
